Jewels 4 God International Israel Training Report

We have recently returned from several weeks in Israel. As we just finish the Holy Week that led up to Easter morning we were reminded of many of the places we had just visited. What a blessing and privilege to walk in the places where Jesus walked and see the locations of so many Old and New Testament events.

The Ark of the Negev is a Women's Teen Challenge Program located in the desert area not far from the Dead Sea (the lowest point on earth). The women were eager to learn the new skill of jewelry making and excited to use the beautiful stones of God's creation. This group was by far the most imaginative of all I have trained, by naming each necklace and explaining the reasoning behind each stone and color choice! They were all so excited at the completion of every piece and looking forward to learning new techniques to begin another!

We are encouraged at the many opportunities they may have to sell within their country. Israel has a strong tourist industry and if they are able to tap into a small portion of that, they will do very well.

Please, continue to pray for this ministry and the many Messianic Jewish believers living in this area who face great persecution from the Orthodox church. You can watch the following 3 minute video that shows the persecution Polly Sigulim, the Director of the Women's Teen Challenge

program, has faced by clicking the following link <http://youtu.be/SnR6DYmHdOI>

Thank you for your continued prayers and support! We presently have requests from several countries to provide training and are continuing to provide ongoing support for those we have trained. Please continue to keep in your prayers the ministries we have trained in Uzbekistan, India, Sri Lanka, El Salvador, Jamaica, Serbia, Siberia - Russia, Swaziland, South Africa, Aruba, Canada, the States, and Israel! Also, pray for the resources for us to train in countries that have requested our help.

Blessings,
Tim and Michelle Zello
