Subject: New Product & Training to be Launched

Date: Wed, 19 Sep 2007 09:11:21 +0200

To: "Tim Zello" <zello@yahoo.com>

From: tim@jewels4god.org

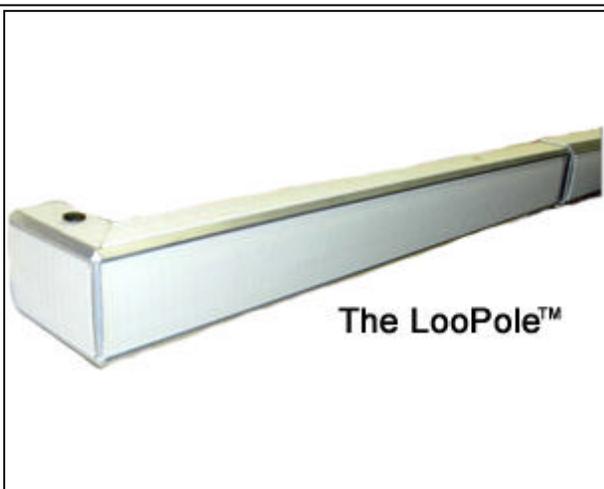

Here is the latest exciting news... Feel free to forward this email.

New Training & Product to be Launched

Jewels 4 God International will be launching a new training division - Textiles and Linens - for those rescued overseas - how to sew and make pillow shams, table runners, fabric totes and purses, etc.

A Patented Invention Donated to Jewels 4 God

The LooPole extendable drapery rod makes it affordable for anyone to have custom window treatments. It is extruded from aluminum with grooves in that allow a Velstick adhesive to run the length of all four sides of the rod.

The LooPole can accommodate simple window treatments or elegant and elaborate designs. This drapery rod allows you to install the rod first and then apply the drapery panels to the rod, one at a time (a one person job). It also allows you to multi-layer and overlap drapery panels on a single rod without the use of staples, adhesives, rod pockets, hooks, clips, or pins. You can also exchange Festive or Seasonal window treatments without removing the rod from the wall. It allows you to clean your draperies simply by pulling the panels off of the rod, one at a time and putting them back without removing the rod from the wall. And, you can redecorate a room by simply exchanging a portion of the desired panels with new coordinating panels.

Lowes, QVC, and Others

The exciting potential is that in the past few years 10 Lowes Hardware stores as well as QVC among other retail outlets have said that they would carry this product. The only thing that prevented and presently prevents pursuing opportunities like this to bless the kingdom of God is the capital needed to produce a large inventory of rods and window treatments. **We need a major donor to contribute seed funds.** All profits will bless Teen Challenge and other ministries overseas and help fulfil Jewels 4 God's mission to **"empower people in need."**

Meet the Inventor & Our New Director of Textiles and Linens

Liz Glover is an Assemblies of God Pastor's daughter (her father was the Pastor of Calvary Temple in Indiana) who resides in Connecticut. She and her husband, a pilot for Southwest Airlines, have been married for 31 years. They have two grown children and one grandson. Liz has a heart after God. She is an extremely talented inventor, designer, artist, and seamstress. When first contacting me she wrote, **"I am willing to give this patent and creative idea back to the Lord for his work and service."** Please pray for financial support (personal and ministry) via Jewels 4 God so Liz can provide her much needed expertise to bless ministries worldwide.

Launching the New Training

Liz is willing to use her investment, gifts, creative idea, and invention to help "the least of these" and advance the kingdom of God. We need start up capital to launch the first micro enterprise in Bombay, India, where we plan to train the women rescued from human trafficking and sex slavery. **These seed funds will reap an eternal reward** and initiate the beginning of additional financial blessings for Teen Challenge and other ministries rescuing others around the world. The first training for is tentatively planned for February 1-10 in Bombay, India. **Total Need - \$12,500**

Launching a New Website

Jewels 4 God will be launching a new e-commerce web site - textiles4god.com - where the LooPole drapery rod, window treatments, pillow shams, table runners, etc. can be purchased. **We need a web site designer that knows online store building and Java Scripting to volunteer their services.**

News from Teen Challenge Jamaica

Anthony Richards from Teen Challenge Jamaica emailed us today, **"Just want to say a big thank you once again for helping Teen Challenge Jamaica in such a big way. We have just been given the opportunity to sell jewelry at the Dolphin Cove attraction six days a week every week, hundreds of tourist visit the Dolphin Cove daily!"** This new sales venue for Teen Challenge Jamaica is in addition to selling to tourists coming off of the cruise ships. Every month thousands of dollars are already coming into the ministries that Jewels 4 God has trained. With the new textile and linens training in addition to jewelry, the potential resources for these ministries are limitless.

Storage and Work Area

Our home has become a storage facility for supplies and jewelry. We are in desperate need of a warehouse and work area. The easiest, least expensive, and most convenient way to meet this need is to convert a roughed in storage room above our garage that would provide 500 sq ft. of space which can be done at near cost due to a local builder that will build it at cost. **Building supplies - Total Need - \$20,000**

Training DVD's to Be Produced - Jewelry and Textile/Linens

We need a powerful computer, mini DV camera, video editing software, microphone, and accessories in order to produce training DVD's that we can leave with the ministries as a training aid for new students.

Total need: \$3,000. We also need a volunteer to help produce these training DVD's.

Volunteers Needed

We are in need of a volunteer to help with administration in the Locust Grove area of Virginia and volunteers to assemble and package LooPole drapery rods in the Granby area of Connecticut.

More News...

Recently we received requests for training from Kenya, Uruguay, and Macedonia. These requests will be sent out in future e-updates. Below is our international training schedule through March. We are still in **need of \$15,000** to train the foster mothers of AID orphans at Teen Challenge Swaziland and in South Africa and possibly Kenya.

New 4-Minute Promotional Video

Watch moving video footage from the brothels of Bombay, India, and hear one rescued girl's plea for help to be able to support herself. [Click here to watch Video.](#) A special thank you to Bernie & Cathy Gillott!

Blessings,
Tim Zello
President

Jewels 4 God International - *"Empowering People in Need"*

And they will be mine, says the Lord of hosts, in that day when I make up my jewels; and I will spare them, as a man spares his own son that serves him (Malachi 3:17).
