Merry Christmas! Here is the latest news from Jewels 4 God...

Another Buffalo Purchased for Teen Challenge in Lucknow, India.

Through jewelry sales Teen Challenge was able to purchase another buffalo and calf. TC Lucknow uses half of the milk produced to make dairy products for consumption at the program. The rest of the milk is sold which provides \$50 a month that is used to purchase vegetables from the market.

A Success Story...

Ritesh, one out young men we trained in January, has gone back to his home town of Surketh in Nepal and started a small jewelry business. The training motivated him to start his own business. He was a drug addict for 6 years, now he is born again ,baptized, a business man, financially supporting his family.

Coming Soon... Our first full color catalog (60 pages) has gone to press. And, our new website www.jewels4god.com is under development which will serve as the gateway for women across America to sell jewelry for God in home shows and earn extra income while supporting our mission. We will send out an newsletter when we are ready to launch. 100% of the net profit of all sales of items in the catalog via will be used to support the mission of Jewels 4 God International.

Upcoming Training...

- March - We will be providing Professional Counseling and launching a Jewelry Microenterprise for Teen Challenge in Novokuznetsk, Siberia.
