[Jewels 4 God](#) International is a non-profit organization dedicated to empowering people in need. Their mission is to train faith-based organizations in making and marketing quality handcrafted jewelry to help them become sustainable and to provide viable job skills and professional counseling services for the exploited, marginalized and disenfranchised people with whom they work; assuring their successful reintegration into society, employability, and financial independence.

[Jewels 4 God](#) provides economic opportunities and mental health development to a wide range of people in diverse cultures who are in need of self-worth, vocational training, and employment.

They have trained marginalized people in India (Bombay, Lucknow, Calcutta), South Africa, Pakistan, Jamaica, El Salvador, Swaziland, Aruba, Serbia, Bolivia, and Swaziland and presently have numerous requests for help.

One of the organizations they train is [Teen Challenge](#). [Teen Challenge](#) is widely recognized as the most successful residential program in the world for helping people with life-controlling problems. For 49 years [Teen Challenge](#) has been reaching out with a proven record of changed lives. There are over 400 [Teen Challenge](#) leaders and programs in 92 countries.

World Challenge is helping [Jewels 4 God](#) provide the marginalized with opportunities to sustain themselves.
